

Vitality Oslo

IV Clinic

IV DRIPS

Basic Hydration 1750.-

Stay hydrated and feel refreshed. Sodium Chloride + Bicarbonate + Potassium + Calcium. Choose 500ml or 1L.

The After Party 2850.-

Replenishes fluids and electrolytes, easing hangover discomfort.

Detox Mini 3000.-

Enhance immunity and detox with Glutathione and vitamins C, B1, B2, B3, and B6.

Energy 2700.-

Ideal for battling fatigue and overwhelm. Our energy drip, loaded with B vitamins (B1, B2, B3 & B6) and vitamin C, will help restore your energy.

Fat Burner 2950.-

Identical to our Energy drip, the Fat burner is also infused with L-carnitine to promote fat burning and accelerate metabolism.

Detox Master 3750.-

Revitalize your body with a double dose of glutathione and 7.5g of vitamin C! Kick-start your detox and boost your immune system!

Relax 2750.-

Replenish your magnesium levels and encourage relaxation. Mood disorders, muscle cramps, stress and anxiety are all linked to low magnesium levels.

IV DRIP EXTRA *Only for drips

• Selenium + Zinc.
 *Only available in basic hydration

PREMIUM TREATMENTS

IronMan 2750.-

*A copy of your blood test is needed to confirm low levels.

This infusion has iron, a quick way to boost iron levels. Low iron can cause dizziness, hair loss, fatigue, and more due to insufficient haemoglobin for carrying oxygen.

Signature 6500.-

Drip 1; B Complex+ Glutathione Drip 2; 7.5 g vitamin C. Booster shoots; Vitamin D 300,000IU + B12 + folic acid.

Consultation Specialist 3750.-

Medical doctor specialist in internal medicine and endocrinology. (hormone-related disorders.)

IM INJECTIONS

D-Vitamin 300 - 1850.-

*A copy of your blood test is needed to confirm low levels.

Will really boost your low vitamin D levels!

Vitamin B12 - 900.-

Get a B12 boost for energy and concentration!

Hair, skin & nails - 1750.-

Folic acid, B12 & B6.

Vitamin B6- 750.-

Supports brain health, mood, metabolism, immune function, cardiovascular health, and nerve function.

B Complex shot - 1650.-

Boost your energy levels. B1 + B6 + B12.

IV PUSH

25mg CoQ10 - 1200.-

Glutathione 600mg - 1200.-

An amazing antioxidant to uplift your immunity and detoxify your body!

Glutathione 1.2g - 2000.-

A double dose of the mother of all antioxidants with anti-ageing benefits.

Slim & fit - 1750.-

Experience a metabolism boost and energy surge!

Please schedule your appointment beforehand as we do not accept walk-ins.
